ATOMIC ENERGY EDUCATION SOCIETY

(An autonomous body under Department of Atomic Energy, Govt. of India)

Dear Students,

The upcoming examinations are a testament to your commitment to learning and personal growth. I want to remind each of you that success is not only measured by grades but by the knowledge gained and the personal development achieved during this process. Stay focused, believe in yourselves, and attempt each question with confidence. Remember, you have worked diligently to reach this point, and you are well-prepared to tackle any challenges that come your way.

We want to express confidence in the capabilities of our students. Your hard work, perseverance, and dedication have brought you to this important juncture. Embrace the opportunity to showcase your knowledge and skills. Approach each examination with a positive mindset, knowing that you have the capacity to excel.

In the days leading up to the exams, take care of yourselves, physically and mentally. Ensure you get enough rest, wholesome & nutritious diet, maintain a healthy routine, and seek support from your family, peers and educators.

क्षणशः विद्यामर्थं, क्षणत्यागे कुतो विद्या ।

(एक-एक क्षण गँवाए बिना विद्या पानी चाहिए, क्षण गँवाने वाले को विद्या प्राप्त नहीं होती ।)

Remember, success is a journey, not a destination. No matter the outcome, your efforts are valuable, and they contribute to your overall growth. Wishing you all the very best in your examinations and all your future endeavours!"
