

**Atomic Energy Central School – 3,
Anushakti Nagar, Mumbai 400094**

Date: 16. 03. 2021

Dear Parents

We are moving into the new Academic Year 2021-22. Some of you might have changed your residences/accommodation which might also have resulted in a change in the jurisdiction of school. All such parents who wish to get their ward transferred from our school are requested to apply for a Transfer certificate (TC) from this school so that they can apply for admission in the school as per the jurisdiction. **Parents are requested to apply for a transfer certificate (TC) from 25.03.2021 to 05.04.2021.** You can drop your application in a drop box kept near the security personnel at AECS-3, Mumbai.

Parents are also to note that your request for the transfer may be considered depending upon the vacancy position in the school applied for.

Principal
